

Please register my crops or beehives on the DriftWatch or BeeCheck registry. I am voluntarily providing the information below.

Information needed (* required). Please print clearly.

Name *	
Mailing Address * (must be a street or 911 type address. <u>No PO Boxes</u>)	
Crop/Bees location and address <i>(if different than above)</i>	
Phone <i>(if available)</i>	
Specialty crop(s) or apiary *?	
If apiary- # of hives	
Hobbyist or commercial	
Hive location permanent (yes or no)	
Active dates of bees - Months (e.g. April to October)	
If specialty crop- conventional, organic, or certified organic	
If certified organic, certifying agency & your #	
<u>Primary</u> specialty crop(s) grown? Vegetables, fruit or nursery crops (1 only)	
Renew this farm every year? (yes or no)	
If no, through what year is desired?	
Crop or beehive location*	Draw a map on reverse side

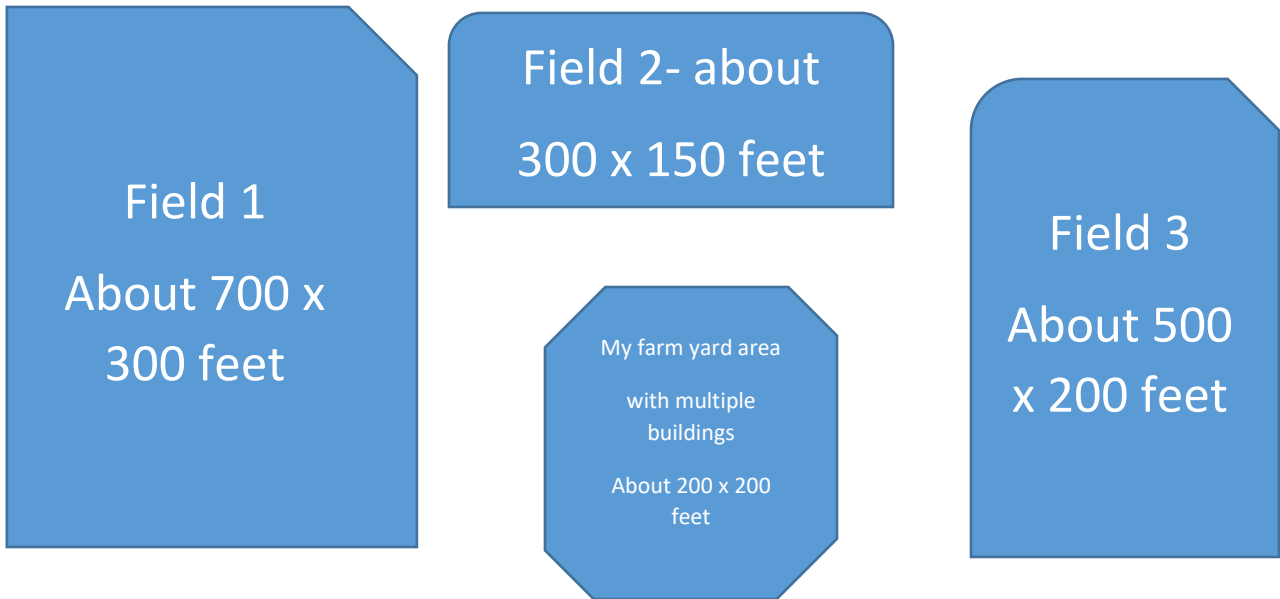

By signing below I acknowledge that my farm and its crop fields or beehives will be shown on a public map and available for viewing by anyone visiting the site, but most importantly, by commercial and private applicators. I understand that the DriftWatch/BeeCheck registry is open to all.

Your signature/name (please have same as on front side) _____ Date _____

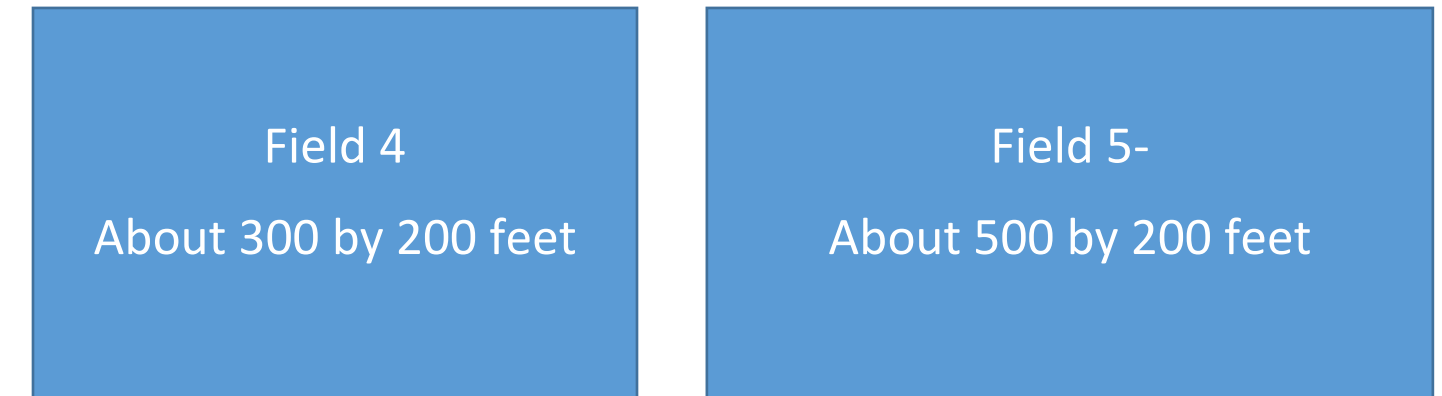

Farm map section: (hand drawn map is perfectly fine! Be neat, please.)

Please confirm the street or 911 type address (should be same as front side of form):

Address _____ City _____ State _____ Zipcode _____

The road of my address _____

Please return to: FieldWatch, Inc. 1281 Win Hentschel Blvd, Suite 1300, West Lafayette, IN 47906

If you sell your farm, stop growing specialty crops or stop keeping honeybees, or for whatever other reason wish to be removed from this registry, please, PLEASE let us know. Just write and tell us.
